

Project Description:

NIJ Standard 0603.00, X-Ray Systems for Bomb Technicians, was published June '73. The NIJ-Sponsored Office of Law Enforcement Standards (OLES) is updating the standard in collaboration its counterpart in the United Kingdom, the Police Scientific Branch (PSDB).

Status:

Work on the Standard is on going. PSDB is being funded in FY 03 to test, evaluate, and report on performance of existing x-ray systems. This work should be completed in FY04.
